## Champion Heads Babe Ruthers

Babe Ruth League results also show a mad scramble for the final playoff spots, with Champion firmly in top spot, four teams are fighting it out for three remaining playoff positions. Vulcan split two games, defeating Milo 26-3 and losing to Champion 14-10. Collier went the distance to win over Milo with Houlton and B. Deal topping the hitting parade. Against Champion it was a bad first inning when the visitors scored eight runs that spelled the big difference. Warren was the winning hurler with the loss going to B. Erickson. Keenan was top hitter for the Champion sluggers.

Brant split two games to stay in the race; losing 8-6 to Carman-gay and defeating Barons by a 12-1 margin. In winning McBrien was the hurler, pitching to McKay and allowed only two hits while striking out thirteen. Patten was the top hitter for the Brant Club.

## Graduation Exercises at Milo

The Milo High School Auditorium was the scene of long-to-be-remembered graduation exercises on Friday, June 7, when approximately 180 guests were present to witness the ceremonies. A delicious banquet, with catering by members of the Home and School Association, started the memorable evening. Grace was given by Wells Robinson. Grace was given by Wells Robinson, student minister.

The menu included roast turkey and all the trimmings. The luscious meal was served by the Grade 9 class, bedecked in blue aprons adorned with silver stars and matching headbands.

A very effective program followed the banquet, directed by the toast-master, graduate Grant Laid. The toast to the school was given by Mrs. Betty Papp and was responded to by Dennis Beckner, reviewing the highlights of the year. The toast to the school was given by graduate June Nelson, and response by A. Storey of the school staff. He stated in his address that a very small percentage of students ever graduate and hopes that this may be remedied in the future.

Miss Carol Peterson played a lovely piano solo, "Stardust." The toast to the parents was very aptly given by graduate Janice Bertrand and appropriately responded to by her father, R. O. Bertrand.

The toast to the graduates was given by John Ivers, and the response by the Valedictorian, graduate Marilyn Thompson. She stated the graduating class' desire to go on and fulfill the expectations of all those who have helped guide them through life thus far.

A lovely vocal duet was then rendered by Miss M. Anderson and Fay Bartsch, singing, "Keep on Hoping."

The address to the graduating class was given by V. H. Wellman.

## Grants Will Be Available

## County Eases Way For Seed Cleaning Plants

Success of the Blackie Seed Cleaning Plant and the growing need for seed cleaning services for the farmers of the County of Vulcan have led to the introduction of a by-law by the Council of the County of Vulcan to authorize the expenditure of certain funds for the purpose of contributing to Seed Cleaning Associations situated wholly or partially within the County.

Public notice of the introduction of the by-law is given elsewhere in this issue of the Advocate.

This action has been taken by the Council not only in recognition of the need for seed cleaning plants within the County, but in order that Seed Cleaning Associations will know in advance that grants for the construction and equipping of plants are available from the County as well as from the provincial government.

Under this plan, farmers in any part of the County can now band together to form a seed cleaning association and, upon meeting the terms and conditions laid down by the Minister of Agriculture, can secure Provincial Government and County grants towards the construction and equipping of a seed cleaning plant. This gives all areas in the County an equal opportunity to secure a seed cleaning plant to serve the farmers of that area, but it will depend upon the farmers themselves to organize and promote seed cleaning associations for this purpose.

County grants will be on a dollar-for-dollar basis with grants made by the provincial government, with the maximum in each case being \$15,000.

The plan proposed by the County Council favors no one part of the County — it is entirely up to the farmers themselves to organize and promote a seed cleaning association if they desire the establishment of a plant in their particular area.

## Alston Boys Win Prizes At Calf Club Show

Glen Williams and Jim Hutton of the Alston district are members of the Stavelly Parkland 4-H Calf Club. Three clubs, consisting of the Stavelly Parkland, Claresholm and Fort Macleod Clubs showed and sold about 90 calves at Fort Macleod on June 4.

In the Stavelly-Parkland Club, Glen's calf, a home-bred Hereford, stood first and Jim's calf, an Angus bred at home, was fifth. In the showmanship contest, Glen was first and Jim 3rd. Glen has been in the Calf Club seven years; Jim just two years.

When the first and second placings of each club were shown together, Glen's calf won the Grand Championship. It also won the prize for best Hereford shown and was second for rate of gain. The calf weighing 860 pounds, was sold to the T. Eaton Co., of Lethbridge for the very satisfactory price of 65c per pound.

## Ensign News

The Ensign Ladies' Community Club held their monthly meeting at the Ensign Hall on Wednesday, June 5, with 15 members present.

The roll call was answered with tea cups to be left at the hall. The minutes and financial report were read and approved and business dealt with as usual. It was decided to hold the annual community picnic on July 30, at the High River Park with races and ball games for all. Free coffee and treats will be supplied by the club. The committee for this is Mrs. C. Mote and Mrs. Bill Turley and Mrs. Ted Howlett will be in charge of the ice cream. A committee was appointed for the next shower, date to be announced later.

Mote attended a miscellaneous shower for Miss Sharon Belle Brunskill held at the Dinton Hall on Saturday, June 1, and Mr. and Mrs. Mote were guests at the wedding of Miss Sharon Brunskill and Earl Douglas Miller at the Blackie United Church on Friday, June 7, at 2 p.m. The reception was held at the bride's home.

## Kindergarten Ends Terms

The third successful kindergarten in Vulcan Church of Christ came to a close on May 29, with a tea and short program for the mothers.

Sixteen little Indians appeared dressed in gunny sack shawls and Indian head bands with feathers, each carrying a shaker. The Indian maidens danced a war dance while the Indian chiefs beat upon the drum. They then sang "Ten Little Indians." The rest of the program was made up of songs they had learned and accompanied at the piano by Mrs. Neal Dumka.

Nursery rhymes were recited by each child and several finger plays. The program concluded by each child introducing their mother and taking her to a lilac decorated tea table where wigmaw place cards had been placed that had been made by the children. Tea was then served by Mrs. Doug Smith and Mrs. Simon Wiersma.

Sylvia Allen presented Mrs. Chapman with a beautiful corsage

## Prizes Are Awarded

## Crops Looking Good After Weekend Rain

Much-needed rain fell last week over most of Alberta, with precipitation in the County of Vulcan area ranging from one-half inch up to two inches. Rain fell intermittently during the entire weekend and crops, which were starting to show the effects of a long dry spell, are now making good progress.

In a strip ranging from east of the Corner Store, through parts of the Berrywater and Reid Hill district and the districts east of Champion and Carman-gay, the season's first hailstorm Wednesday evening did considerable damage. Growing crops received damage ranging from light to heavy, but the season is early and most are expected to make a good recovery. To what degree the flax crops which were hailed will recover is unknown as yet and some re-seeding is reported.

The early but violent hail storm pounded out windows in many farm homes in its path and the strong wind blew off part of one farmhouse roof, east of Vulcan, with subsequent rain damage to plaster, furniture and other contents.

Adding to the trial of farmers this spring are reports of fairly heavy cutworm damage in several parts of the district.

from Cayley.

Mr. and Mrs. Howard Carey from Calgary visited Mrs. Carey's parents, Mr. and Mrs. Ed. Kennedy over the weekend. Gary and Brian Kersey also from Calgary spent the weekend with their grandparents.

## Prog.-Cons. Vote Up

## E. G. Hansell Retains S.C. Seat In Macleod Riding

Ernest G. Hansell, Vulcan's veteran Social Credit Member of Parliament for Macleod constituency, was re-elected by a large majority for the sixth consecutive time in Monday's federal election which saw the Progressive-Conservative party, in a somewhat unexpected show of strength, get 110 seats in the 265 seat House of Commons. The Conservatives are expected to form the next government.

In official figures for Macleod riding, with only one sub-poll still to be heard from, Mr. Hansell received 8,355 of a total of 19,053 votes cast. There were 25,110 eligible voters in the constituency.

Dr. Lawrence Kindt of High River, Progressive-Conservative candidate, polled 5,042 votes, while Dr. Gordon Burton of Claresholm, Liberal candidate, received 4,665 votes. Jack Griffin of Fort Macleod, C.C.F. candidate, received 1,026 votes and was the only candidate to lose his deposit.

In the 1953 general election, Mr. Hansell more than doubled the vote for any of his opponents, all of whom lost their deposits. Figures in 1953 were Hansell (S.C.) 8,635, McIntyre (Lib.) 4,298, Cooper (Prog.-Cons.) 3,685, Howard (C.C.F.) 721, Patena (Labor) 620.

Mr. Hansell has been the Commons member for this riding since 1935 and is considered to be the deputy-leader of the Social Credit group in parliament. He is 62 years of age and is English by birth. Educated at the Bible Institute of Los Angeles and the Southern Divinity School of Dallas, Texas, Mr. Hansell was minister of the Vulcan Church of Christ before being elected to parliament. He is president of the National Social Credit Association of Canada and this month was awarded an honorary doctorate degree by the Alberta Bible College.

## Local Student Gets Digest Award

Richard Williams, valedictorian of the graduating class at Vulcan High School, has been given the Annual Award of the Reader's Digest Association for students who by their successful school work give promise of attaining leadership in the community. It was announced today by Wilson Ross, principal.

Mr. Williams will receive an honorary subscription to the Reader's Digest for one year and an engraved certificate from the Editors, "in recognition of past accomplishment and in anticipation of unusual achievement to come."

The award to Mr. Williams, who is the son of Mr. and Mrs. J. F. Williams, Ensign, was made possible through the co-operation of Mr. Ross and his teaching staff. They selected Mr. Williams to receive the award, designed to stimulate scholarship, citizenship, and continued contact with good reading after graduation.

Mr. and Mrs. Jim Berg and girls were Saturday Lethbridge visitors. Mr. and Mrs. Merv McIntyre and Gail of Calgary spent Wednesday visiting with relatives and friends here.

## Achievement Day Held By Berrywater 4-H Club

Despite the cold rainy weather the Berrywater 4-H Club held their Achievement Day at the Roy Adam and Peter Silbernagel farm. The club members arrived early and spent the morning grooming their stock. At noon a "pot-luck" dinner was eaten by some 180 people in the shop. The judging began at 1 o'clock and was capably handled by Ed. Nolte of High River.

Following the awarding of the ribbons Mr. Nolte gave a most informative talk and demonstration of the weak and strong points of the top calves, which will help the club members greatly in choosing and finishing their animals next year. After the regular member's calves were judged the four in the "Pee-Wee" under-age group were brought in.

The winners in the 4-H group were: 1st, Johnny Houlton with Fur; 2nd, Lloyd Jones, with Mac; 3rd, Orry Doane, with Blacky; 4th, Dennis Gooch, with Joe; 5th, Dave

Salken; 6th, Shawn Houlton; 7th, Billy Sharpe; 8th, Don Salken; 9th, Rose Sharpe; 10th, Reith Marshall; 11th, Errol Parslow, and 12th, Lyle McIntyre.

In the "Pee-Wee" class: 1st, Sandra Oldfield; 2nd, Lynne Richardson; 3rd, Sharon Richardson; 4th, Donna Parslow. The three top showmen were 1st, Dennis Gooch; 2nd, Orry Doane, and 3rd, Don Salken.

The calves were weighed last December 1st, and will be weighed again this Saturday, June 15, at High River, where they will be sold. The member whose animal shows the most gain will receive a trophy presented by Lee Richardson.

Hugh Michael acted as master of ceremonies during the judging and interested on-lookers included Howard Tharlie, leader of the Mossleigh club; Mrs. Nolte, Sr.; Spencer Burns, D.A. Vulcan County; and Charlie Yauch, D.A. High River district.

## Barons Leading Little League

In Little League action last week; playoff positions tightened up, as bottom teams fought for victories, that would give them a play-off birth. Champion split their two games defeating Brant 12-10 with T. Rhodes the winning pitcher over B. Schultz. Maisey was the top hitter for the losers getting a triple and double, while J. Petronch was the big gun for Champion with a home run and a double.

League-leading Barons dumped Champion 2-7 with Bots and K. Allen sharing the pitching chores for the win while D. Rhodes took the loss and was relieved by L. Ferguson in the sixth inning.

Vulcan Giants, fighting for a playoff spot, came through with two overwhelming victories: 19-3 over Carman-gay and 10-0 over Brant. The pitching stalwarts were Russel Chow, Wayne Woodman and L. Schumacher who shared the two games and with good support from their team-mates. This team seems to be the hottest in the league right now.

The Vulcan Yanks dropped two games last week and lost their last chance for a playoff birth.

Mr. and Mrs. Jim Berg and girls were Saturday Lethbridge visitors. Mr. and Mrs. Merv McIntyre and Gail of Calgary spent Wednesday visiting with relatives and friends here.

The Berrywater club is to be congratulated for the wonderful showing they have made in their first year. They organized last fall under the most capable leadership of Peter Silbernagel and are sponsored by the Berrywater F.U.A. The local business men of town co-operated whole-heartedly and donated \$160 and the F.U.A. gave \$50. Leather halters were presented to each child and a set of electric clippers was purchased for the use of all club members. Prizes will be awarded this fall. The club met once a month and have the enviable record of never missing a meeting. This spring they attended the Fat Stock Show in Calgary. A trip to Burns Packing Plant and one to the McIntyre Ranch are planned for this summer.

Following the judging, pictures were taken and then parents and children took part in a ball game, a horse shoe tournament and a tractor rodeo to end a most enjoyable day. Again congratulations to the club and its leaders for such a fine showing and a hearty wish for even greater success next year.

## HOW MANY WEEDS?

How many weeds are present in the average Western Canadian grain field at spraying time? There are far more than most people realize.

Let's look at the available figures.

A field survey made by the staff of the Plant Science Division, University of Manitoba in 1956, obtained the following figures. (These fields were selected at random and appeared neither to be exceptionally clean nor visibly weedy when selected.)

Weed content of grain fields in Manitoba  
Spring of 1956

When grain in proper stage for treatment

	Wheat	Oats	Barley	Flax
Average number of weeds per square yard	236	172	752	271

A weed count in grain fields in Saskatchewan or Alberta would show but slight variation from the count in Manitoba field.

RESEARCH AUTHORITIES HAVE PROVEN THAT 100 OR MORE WEEDS PER SQUARE YARD WILL REDUCE THE YIELD OF WHEAT, BARLEY AND OATS BETWEEN 25% and 50%. . . . If they are not removed by spraying at the correct time. The correct time is early — 3 to 4 leaf stage of the crop.

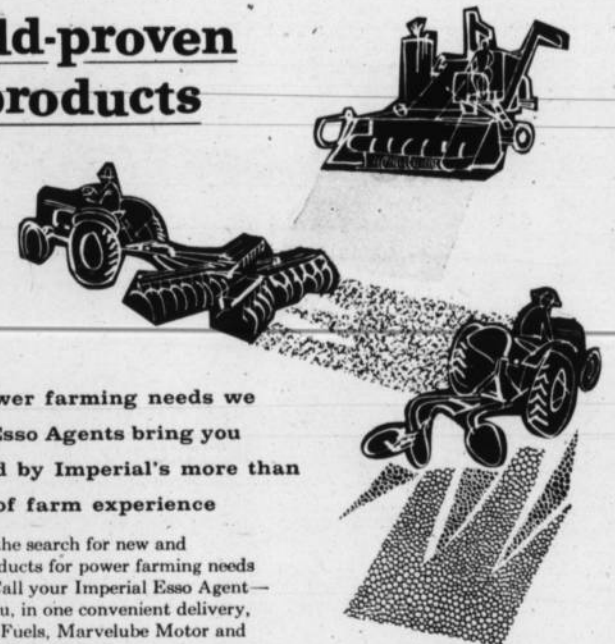

In 1956, less than one out of every three acres of crop was sprayed in Western Canada to remove the weeds . . . a positive indication that many farmers are losing yield and profit.

PRAIRIE FARMERS COULD INCREASE YIELDS AND PROFITS BY USING SELECTIVE CHEMICAL SPRAYS ON A FURTHER 20 MILLION ACRES OF CROP LAND.

WEEDS ARE ROBBERS -- KILL THEM  
CHEAPLY WITH CHEMICALS

#### ARE YOU SURPRISED?

when you learn that  
GOD SAYS, "There is none righteous, no, not one." (Romans 3:10) thus proving that you are a sinner! It's true!

GOD SAYS, "None can by any means redeem his brother nor give a ransom for him." (Psalms 49:7) so you cannot save yourself!

GOD SAYS, "In whom we have redemption through His blood, the forgiveness of sins." (Ephesians 1:7) so you may be saved through the blood!

GOD SAYS "There is therefore now no condemnation to them that are in Christ Jesus." (Romans 8:1)

Thus acknowledging your sin, admitting you cannot save yourself, trusting alone in the merits of the Savior you may know that you have Eternal Life (1 John 5:13) and thus have Peace, perfect Peace. A.C.F.
